

University of Virginia Neuroscience Graduate Program

Brain Awareness Program 2017 Teacher Participation Form

Winter and Spring 2017

- Forms accepted through May 19th 2017. Email or Fax back to The Neuroscience Graduate Program at (703) 995-4494 or nab4g@virginia.edu.
- All requests are subject to availability of NGP students, faculty and post-doctorates. We will do everything possible to fulfill all requests.
- You may or may not find it beneficial to coordinate with your colleagues and combine your classrooms.
- Please fill out a different form for each 'talk' or visit request.

First name	Diane	Last name	Clark
School name	Monticello HS	School address	1400 Independence
Phone number	434-244-3100	Email address	dclark@k12albemarle.org
Best time to contact you	Email any time	Best way to contact you	email

Do you want real brains brought to your classroom?	yes		
Topics of interest	Animal studies is a course on phylogeny of the animal phyla but they will be interested in brains		
Topics to avoid			
If you would like to request that the same volunteer to visit with you again this year, please provide his/her name here.			
Special Notes/Comments			

BEST DAYS AND TIMES TO VISIT YOU (at least 3 choices):			
DATE	DAY	TIME OPTION #1	TIME OPTION #2
Almost any Tues or Thurs in March or the last 2 weeks in April			
There are 2 classes with a 30 min lunch in between. I would like each class to have this opportunity but it does not need to be on the same day. Usually the first class of 20 students meets 11:05-12:35 every Tues and Thurs and the 2 nd class of 24 meets 1:05 – 2:30 on the same days. I MIGHT be able to arrange for my 1 st class to eat 1 st lunch, which would allow you back to back classes with no break in between. That would mean 11:35- 12:50 and 1:05-2:30. Please let me know what would be easiest for you and I will try to arrange everything
